To: Patients Paying at the Time of Service

In an effort to minimize costs and create the best possible atmosphere for healing, we have made the following adjustments to our Usual and Customary Rates. We are able to do this because paying at time of service frees this office from time-consuming paper work and tracking of filed insurance claims.

At your initial visit, you will be responsible for the New Patient office visit. The bill will show the office visit and my fee. However, there are several procedures that may occur during your visit, which will be modified, any of these procedures used during your treatment will be reduced to \$0.00, and you will be responsible for the office visit fee only.
